

The Autoquip Gun Flush Box provides manual paint operators a hands-free method to change color. The easy twist handle is ergonomically friendly for the operator and allows easy access to place or remove the gun from the box. Autoquip offers gun inserts for many commonly used guns, both conventional and electrostatic. The Autoquip Gun Flush Box is easily integrated with an Autoquip color change waste recovery system to reduce VOC emissions and safely handle hazardous waste.

### FEATURES & BENEFITS

- Heavy duty welded construction
